

Due the First Day of School: Intro Cards to all of your teachers (9) – these cards must introduce yourself as a Dazzler or JV Charm for the school year and let the teacher know you are excited to be in their class – you do not have to use these exact words but remember this is your first impression as a role model of the school. Tell them what they can expect from you like your effort, dedication, responsibility, enthusiasm or the eager to learn from their subject area. You must do one for us as well. (Remember, teachers like candy 😊)

You will have to hold onto your first period and give that on Tuesday.
