

**Due the First Day of School:**

**Intro Cards** to all of your teachers (9) – these cards must introduce yourself as a Dazzler or JV Charm for the school year and let the teacher know you are excited to be in their class – you do not have to use these exact words but remember this is your first impression as a role model of the school. Tell them what they can expect from you like your effort, dedication, responsibility, enthusiasm or eager to learn from their subject area. You must do one for us as well.

(Remember, teachers like candy or a small office supply). You can get as creative as you want. Pinterest has many options to think of.
